U.S.A. vs. Travanon Kenric Alexis

Docket No. 5:07-CR-126-1BR

Petition for Action on Supervised Release

COMES NOW Debbie W. Starling, probation officer of the court, presenting a petition for modification of the Judgment and Commitment Order of Travanon Kenric Alexis, who, upon an earlier plea of guilty to Forcibly Resist, Oppose, Impede, Intimidate and Interfere With an Officer or Employee of the United States, in violation of 18 U.S.C. § 111(a)(1), was sentenced by the Honorable W. Earl Britt, Senior U.S. District Judge, on January 7, 2008, to the custody of the Bureau of Prisons for a term of 30 months. It was further ordered that upon release from imprisonment the defendant be placed on supervised release for 36 months under the standard conditions adopted by the court and the following additional conditions:

1. The defendant shall participate as directed in a program approved by the probation office for the treatment of narcotic addiction, drug dependency, or alcohol dependency which will include urinalysis testing or other drug detection measures and may require residence or participation in a residential treatment facility.
2. The defendant shall abstain from the use of any alcoholic beverages, shall not associate with individuals consuming alcoholic beverages, shall not frequent business establishments whose primary product to the consumer is alcoholic beverages, and shall not use any medication containing alcohol without the permission of the probation office or a prescription from a licensed physician.
3. The defendant shall consent to a warrantless search by a United States Probation Officer or, at the request of the probation officer, any other law enforcement officer, of the defendant's person and premises, including any vehicle, to determine compliance with the conditions of this judgment.
4. The defendant shall cooperate in the collection of DNA as directed by the probation officer.

Travanon Kenric Alexis was released from custody on July 10, 2009, at which time the term of supervised release commenced.

On May 24, 2011, the defendant's conditions were modified to include 24 hours of community service as a sanction for drug use.

RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS: According to Integrated Behavioral Healthcare Services, it is their opinion that the defendant can benefit more from cognitive behavioral therapy as opposed to substance abuse treatment at this time. The defendant has expressed a desire to participate in their program.

The defendant signed a Waiver of Hearing agreeing to the proposed modification of supervision.

PRAYING THAT THE COURT WILL ORDER that supervised release be modified as follows:

1. The defendant shall participate in a cognitive behavioral program as directed by the probation office.

Except as herein modified, the judgment shall remain in full force and effect.

Reviewed and approved,

I declare under penalty of perjury that the foregoing is true and correct.
